The "Hawkeye" Man Tells How It Feels Off the Coast of Maine.

We left Portland in the evening To think of the and in a bit of a storm. There was a heavy sea, with its usual depressing For the remains of a man influences. The sea grew rougher, and as the pitching and rolling of the good steamer New York increased, my spirits did not rise. Your spirits are not apt to rise, I find. They are the only things about you that don't rise, however.

For the remains of a man who never was seen.

Was seen.

There are old maids who live in retirement,
And as yet they never have been squeezed.

A husband is their only requirment,
To live in sweet wedlock and not to be teased.

So they are all taffy, as Jennie related.

became sensible of a kind of languor that suggested repose. I did not feel like standing up and singing.

ted,
They'll die unmarried and relieve their brain. I wanted repose. The repose of the grave would have suited me perfectly well.

But there was no grave bandy. And when I went out and looked out to seaward and gazed at the landless expanse of angry, tossing waters, I didn't see any material to make a grave. And then, when I returned to the stateroom, it began to dawn upon me, very dimly, that the repose was about as solemn as the grave. The ocean made me feel as though I had swallowed it whole, and I was afraid I would have out to seaward and gazed at the

to spread a little to hold it. I believed I would retire and abandon the struggle with my feelings, for I felt that I was on the things. Then I leaned up against the door and I took off a few. Then 1 stood on my head and got off one

Then I looked up at my berth.

It was 600 feet from the floor and was still going.

I cast an anxious, despairing glance at it, reached out and dragged a traveling shawl over me and tried to warble a merry stave of a rollicking

When I bought my passage of the International Steamship Company, I did not contract to sleep in a sky-rocket, and that I should not get is not so much that it cannot sing as into my berth until it came down close enough for me to grab at it. The sense of utter foreloneness,

A genius without common sense has but little advantage over the regular fool.

ness; the impression, generally correct, that every well person in the ship is laughing, at you; the saddening thought that there is no chance of dying, the depressing knowledge that there is no help for it, anyhow; the confidence that nobody is going to do anything for you, and the philosophical resolution that you don't care a constitutional red cent if they don't; the hope that you will be over it by morning; the fear that it will last a week; the forlorn hope, now and The ice factory at Montgomery, at some place, only for a little while; executed this spring and summer, then, that the pilot will get frigh-amounting to \$25,000. A Smart Boy.

From the New York Land and Home. L. E. French, a messenger boy from verge of quoting poetry. I stood chants, outwitted two scamps at the on my feet and took off some of my York, a few days ago. French was counting a roll of bills, when one of Senator Bruce, of Mississippi, who or two. Then I lay down on my back and kicked off the rest of der, said: "Young man, you've droplecting stories of similar attempts to dupe victims, French seized the pile of bills in his hand before he looked down. He saw a bank note on the floor, and quietly putting his foot on it, continued counting his money. Then he picked up the bill, and was walking out, when one of the men, who saw that he had been bearen at his own game, said: "Pardon me: I was mistaken. That bill was drop-ped by me." The other stranger ad-"Yes, that makes out the exded: act amount." "I guess I'll keep it to remember you by," was the boy's answer, leaving the swindlers to make the best of it.

The roaming correspondent of the Burlington (Iowa) Hawkeye tells a pleasing story of a self-sacrificing traveler who devoted his energies to the work of devouring everything upon a certain railway station dinner counter, and having at last accomplished the feat walked away saying: "There, the next fellow that comes along here will get something

ont preparation for the treatment of

ple, diray spells, weak and painful cyes, swollen and ulcerated toneits, hard and constant cough, severe pain across the chest, and every indication of consumption. My hord sched all the time. The matter segmentated so rapidly in my head and threat thist could not keep them free. Prequently at night i would spring out of bed, it seemed to me, at the point of suffocation. I would then have recourse to every means in my power to dislodge the mutens from my throat and bead before being able to skep again. For a period of six years my tonsits were nicerated and so much inflamed that I could with difficulty swallow. I finally consulted an eminent surgeon in regard to an operation on them, but at his request postponed it. The constant inhumation and ulceration in my throat caused by the poisonous matter dropping down from my head and so irritated and inflameding lungs that I courted in the second of the court. Meanwhile my system began to show the effects of this disease, so that I lost flesh, grew pale, and showed every symptom of an early death by coosamption. When matters had reached this stage, or about six months ago, I began the use of Sax rours Radical Cura ros Carazam. After using the first bottle I began to improve rapidly. The first does seemed to clear my head as I had not known it to be for years. It seemed gradually to arrest the discharges. My stopped say cough in three days. By using It as agrated soon reduced the inflammation and welling of my tousin, so that they soon ceased to trouble me. The sortment serves my chast diagpeared, the buzzing notices in my bead cased in yearse of seeing and of hearing were completely restored, and every symptom of disease that had reduced my cough in three distingting from Catarria. Goods of any Drug House in the city. 2d .-- We can, and do, sell cheaper than any Drug House in this city.

3d .-- We fill prescriptions cheaper than any house in

4th .-- We can do better by physicians and country east quarter of the north-west quarter of Section No. 13, Township No. 4, Range 15, in the Ohio Company's Pur-5th.-We keep everything in our line and more too. We carry Paints, Oils, Varnishes, Dye Stuffs, Toilet Articles, Brushes, (all kinds) Patent Medicines, Perfumery, Window Glass, (all kinds) Sods, Pepper, Cinnamon, Cloves, Nutmegs, Spices, ground and in grain, Indigo, Black and Green Teas, (cheap). The finest stock of Canes ever seen in

We are HEAD QUARTERS for Dolls and Toys of many kinds. Ink and Paper, Pens and Pencils. Very fancy Papatrie, and Ladies' and Gentlemen's useful and

fancy Dressing Cases.
Cigars and Tobacco, a large Stock, and great variety, and a THOUS-AND OTHER THINGS too numerous to mention. We return thanks for the large and satisfactory patronage we have received, and we hope to continue the same, and very much increase it, by careful attention to business, and a fair, liberal and honorable treatment

of all our customers. P. S. Our country friends will notice that we have never been compelled to post and plaster the road fences and bridges with disgusting and badly painted signs of such stuff as—"The leading Druggists," the "Principal druggists," the "Boss druggists," and so on "ad nauseun." This ought to be to our credit, if not to our profit.
